

COUNSELLING SCORECARD 2023

Our University Admits

United States of America

United Kingdom

Singapore & France

Ireland

Canada & Germany

Europe & Australia

Dear Student,

We are proud to present the 'Colleggepond Scorecard,' which catalogs our extraordinary milestones and accomplishments in 2023. With our students achieving coveted admissions from leading global universities, we have reached new heights of success, once again raising our bar of excellence.

The Colleggepond Team has provided aspiring international students with a promising 'bridge to the future' through the latest technology, innovative strategies, targeted coaching, and personalized counseling which has fueled our spectacular success, driving us to continue delivering exceptional service and empowering students to achieve their dreams on a global stage. Our outstanding results reflect the caliber and capabilities of our dedicated team, who wholeheartedly understand and fulfill our students' global collegiate and career ambitions.

We are pleased to share with you some of significant milestones we have achieved this year:

- 14% of our students made it to the top 10 universities across the globe
- 8% of our USA students secured admission to the prestigious Ivy League universities
- 27% of our students received scholarships, many to the tune of 100%
- 4 students secured acceptance to the coveted Stanford University
- 8 students secured admission to University of California, Berkeley
- 22 students gained a place into the prestigious Columbia University
- 45 students broke the Carnegie Mellon University acceptance barrier
- 8 students made it to ETH Zürich
- 9 students secured admit to Delft University of Technology
- 3 students claimed a spot at the University of Toronto
- 5 students secured admission to either London School of Economics & London School of Business
- 99% VISA acceptance rate

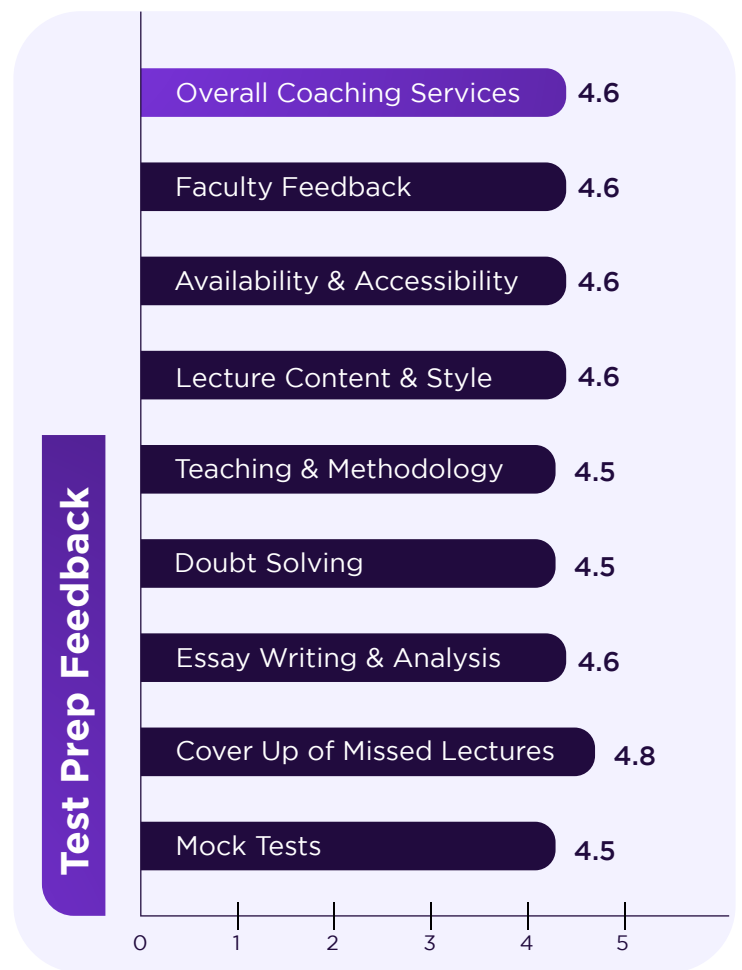

Our time-tested guidance and counseling have enabled our students to get into top-tier universities in more than 17 countries across the globe, including the USA, Canada, Ireland, the UK, Sweden, Netherlands, Germany, Australia, and more. These achievements endorse our enduring commitment to ensure that each student submits the most impressive application possible to gain the coveted acceptance letter.

However, our ultimate goal is to secure the future of our students by engaging with them beyond the realm of admission. Our proven mentoring, combined with our esteemed network of distinguished alumni and professional achievers, ensures that our students not only gain admission to top programs across the globe but also subsequently acquire full-time positions with leading multinationals

Services We Offer

Our Counselling Services are focused on helping students develop the ideal platform to embark upon a successful career.

360° Career Counselling

At Collegepond, we provide holistic guidance to students to enable them to identify their professional inclinations and ascertain the skills they require to transform their career dreams into reality. Packing together a rich wealth of experience, we help students identify their strengths and weaknesses, acquaint them with various suitable career options, and help them identify globally reputed academic programs that best suit their profile and aspirations.

Profile Building

Not every student is an early bloomer, but at Collegepond, we believe that no matter what the past, every student has a great future. To that end, we not only encourage every student to build on their existing profile and strengthen their candidature but also actively guide them in this journey.

Collegepond App

The Collegepond app is our proprietary work flow management system which helps you navigate through each aspect of the application process i.e. SOP, LOR, resume, additional essays, career and university selections with ease and confidence. Our high-end technology platform also doubles up as a huge central repository for sample essays, videos, student experiences and other relevant resources.

Application Assistance

Identifying the right academic programs and universities, and filling out the applications can be an unnerving process for many students. At Collegepond, we have a dedicated team that provides personalized assistance in submitting university applications by helping students in keeping track of various application deadlines and university-specific requirements.

Interview Preparation

Apart from application essays, many universities also conduct personal interviews as a crucial criterion for confirmation of a student's merit. At Collegepond, we train students to put their best foot forward by helping them confidently face some of the most grueling university interviews.

Financial Planning

Higher education abroad is a huge investment for the future. At Collegepond, we strive to enable every student to fulfill their academic dreams by working closely with the students and their parents to plan out their financial strategy. Also, through our tie-ups with various financial institutions, we help students avail of best-in-class products for education loans, travel and health insurance, and forex.

Schools & Program Selection

The problem of too many choices is totally real! With umpteen outstanding institutes around the world offering a plethora of programs, it is natural for students to feel confused. At Collegepond, we help students in making the optimum choice of programs and universities based on crucial factors that capture the student's long-term career aspirations.

SOP, LOR & Resume Guidance

Application Essays are crucial deciding factors influencing a student's admission prospects. Collegepond helps students make a strong case for their candidature by helping them frame their SOPs, Resumes, LORs, and other University and program-specific essays in the best possible manner. Our content team comprises of professionals with a diverse range of industry experience, and each essay is reviewed and assessed on multiple parameters by different team members before it is finalized, thus ensuring a high strike rate.

Scholarship Application

As the value of quality education continues to rise, several Indian and international institutions lookout for deserving students to help them fulfill their higher education dreams. At Collegepond, we help students with information on such merit-based scholarship opportunities and also help them to apply for scholarships with zero-interest loans.

VISA Counselling

At Collegepond, we guide students with the VISA process by assisting them in the VISA application, aiding them in showcasing their financial capabilities, and conducting multiple mock rounds. We follow a detailed and structured VISA counselling process, which has helped us maintain an outstanding track record of 99% success rate.

Pre-Departure Orientation

Studying abroad places students in a highly unfamiliar territory - a different country, a rigorous academic setting and a new lifestyle, while compelling them to perform academically. Our pre-departure orientation program helps students make a smooth transition into the new environment by briefing them about various options for forex, ticketing, accommodation, and various country-specific dos and don'ts to enable them to have an enjoyable study experience abroad.

Post Landing Services

Every student enrolled at Collegepond becomes part of our ever-growing community as we continue to extend our services even after our students commence with their education abroad. Our post-landing services include visitor VISA counselling for parents, resume drafting services for internships, assistance with essays for Research Assistantship, and help in networking with Collegepond alumni.

Karishni Mehta

 **Cornell University**

Masters in Computer Science

Collegepond's invaluable guidance and support made my application process seamless. Their personalized counselling services helped me navigate the complexities and identify universities aligned with my interests and career aspirations. The attentive and responsive counsellors addressed my questions and concerns promptly. I highly recommend Collegepond to all aspiring graduate program applicants.

DID YOU KNOW ?

IMPORTANT FACTS ABOUT

USA

- The USA has the maximum number of tech start-ups and entrepreneurs in the world.
- The country assures academic flexibility allowing students to combine various minors or majors and graduate with a double major.
- The course programs are developed to train students to acquire skill sets needed to excel and thrive in the competitive environment.
- Every year, the country welcomes more than a million international students.
- The first established university in the USA was Harvard University (1636).

Siddhant Banyal

 **DARTMOUTH**

Masters in Engineering Management

Recommended by a former student studying at Columbia, I sought Collegepond's assistance for my grad school applications. Their guidance and support proved invaluable as the counsellors were cooperative and provided helpful advice in crafting impactful SOPs and supplementary essays. The Converge app was a valuable resource for clearing doubts, leading to admits from multiple prestigious universities, including Ivy League schools. Special thanks to Shamika ma'am, for her exceptional guidance and encouragement. I highly recommend Collegepond to any student seeking assistance with their college application process.

Aashna Rachh

 Masters in Management Information Systems

My experience was great and I never got any problem. Every process was smoothly executed. I am very happy with the Student Coordinator who provided immediate responses which cleared my doubts and quickened the process. My applications to the universities were sent by the tie-up department on time without any difficulty. I had also taken Collegepond IELTS coaching and the faculty that I got was excellent and I achieved the required score that my university needed. So far, I had an incredible experience with Collegepond and it has made the whole process of getting admits a stress-free one.

 IMPORTANT FACTS ABOUT
UK

- The UK hosts some world-renowned universities and colleges, including Cambridge and Oxford.
- UK has impressive 90 universities that feature in the QS University Rankings 2022.
- London hosts 18 universities and is ranked first in the QS Best Student Cities 2023.
- The students studying in the UK for more than six months can take advantage of the National Health Service.
- The British education system is recognised to train international students in a creative and practical learning academic environment.

Himank Thakkar

 Masters in Management

Overall, Collegepond has been a wonderful experience. They provide a one stop solution for all your needs when it comes to pursuing your education abroad. I really like the fact that they have an easy to use application and user friendly interface. The counsellors were always helpful and friendly. I would highly recommend Collegepond to anyone looking for college counselling, they just make everything easier!

Amogh Kubal

 Masters in Computer Science

My experience with Collegepond has been amazing. The website and app allowed me to track my application progress and manage everything conveniently from home. The specialized faculties helped craft perfect documents for top universities. The systematic approach and guidance from the entire team made the entire process smooth, right from admission to visa, etc. Special thanks to my Student Coordinator and Collegepond team for their support. I highly recommend Collegepond for anyone starting the international admissions process.

DID YOU KNOW ?
 IMPORTANT FACTS ABOUT
AUSTRALIA

- Australia has one of the top-most educational systems in the world, with 22,000 courses offered across 1100 institutions.
- Australia welcomes half a million students every year.
- All international student rights are protected under the Australian Education Services for Overseas Students (ESOS) Act 2000.
- Australian government offers ample grants, scholarships, and bursaries to students from India and other countries to help them reduce their tuition fees.

Isha Nalawade

 Masters in Computer Science

Enrolling in Collegepond was a game-changer for my study abroad plans. With uncertainty about which universities to apply to, their guidance proved indispensable. They helped me clarify my goals, provided valuable insights on universities, and tailored recommendations to match my interests. Their expertise in improving application materials enhanced my chances of acceptance. Thanks to their support, I received offers from top universities and confidently chose the perfect fit. I highly recommend Collegepond for anyone seeking reliable guidance and a successful study abroad experience.

Khushi Gandhi

Masters in Data Science

Recommended by my sister, I turned to Collegepond for study abroad counselling. The skilled counsellors assisted me in crafting my application documents, with special mention to my Student Counsellor. She addressed my concerns promptly and resolved any issues that arose. Her exceptional responsiveness made a significant difference. Thanks to their guidance, I have secured admission to the University of Southern California's graduate program. I am grateful to the wonderful Collegepond team and eagerly look forward to a positive experience ahead.

IMPORTANT FACTS ABOUT

CANADA

- 28 Canadian universities appear in QS World University Rankings 2022.
- Canadian Universities promote a multi-cultural vibrant campus life, impressive infrastructure, and various clubs and events to broaden your horizon.
- Indian students can choose from than 200 scholarships to manage their study costs in Canada.
- Many scholarships cover 100% tuition and living costs.
- Canada is the sixth safest country in the world according to the Global Peace Index 2022.

Shankh Suri

Masters in Data Science

Collegepond has been extremely effective in enabling me to get an admit from Columbia University. They have provided just about all the support and tools required to apply to a master's programme, right from regular mentor check-ins to seminars explaining the different steps in the application journey. I never once felt overwhelmed while I was applying to the universities due to the steady support system, they have established via Converge. I am really grateful to the entire Collegepond team for their assistance. I wholeheartedly recommend Collegepond to any graduate school applicant.

Kristen Dmello
Carnegie Mellon University
 Masters in Management Information Systems

It was a good experience with Collegepond. Their GRE test prep helped me boost my GRE score by 10 points within a month of joining the program. For SOP, the counsellor helped me ideate and storyboard a great SOP that helped me score an admit to the dream schools I applied to. My student coordinator was super helpful with addressing any open questions. I would highly recommend to other students going for overseas education.

The whole study abroad process is undoubtedly very overwhelming - GRE, TOEFL, university shortlisting, LORs, SOP, resume, applications and everything in between. Amidst the chaos and confusion, Collegepond served as a source of guidance and direction. Their highly structured modules and experienced counsellors have helped me get through this journey in a seamless and efficient manner. A huge shoutout to the entire team for the best advice, flawlessly drafted documents, prompt responses to even my most absurd questions and more importantly, for always being there.

Although it's a tedious process, I am truly ecstatic by my entire application process with the consistent assistance from Collegepond. The appointed counselors at Collegepond provided me with excellent guidance and support, right from university selection to the SOP drafting and Visa process. They have made an effective usage of digital media via Converge application and even conducted several webinars during the crunch time. A special thanks to Collegepond team for guiding and encouraging me to make the right decisions. Thank you very much Collegepond!

I highly recommend Collegepond for anyone seeking counselling for masters. From my first appointment, I knew that I was in good hands. The counsellors at Collegepond are compassionate and knowledgeable. Their expertise in various processes for Masters allowed us to work together to find the approaches that were most effective for me. Their resources have been incredibly helpful in supplementing my one-on-one sessions and connecting with others who are on a similar journey. Overall, I cannot recommend Collegepond enough. Their team of counsellors is truly exceptional, and I am grateful for the positive impact they have had on my life.

I am so glad to be able to share my experience with Collegepond. I was anxious about applying to US universities and was unsure whether my background would make me a good fit. Collegepond team reassured and encouraged me. Right from the documentation to the post-admit process, they have been extremely helpful and supportive. I would especially like to mention my student coordinator, who went out of her way to help me during the process. Collegepond was instrumental in me receiving my dream admit from the University of Washington and helped build my confidence as I embark upon a new journey.

Krish Mankar

Imperial College London

Masters in Electrical and Computer Engineering

I enrolled with Collegepond on the recommendation of my friends, and it has ended up being a very fruitful decision. From setting me on the right path to ensuring I have the best possible resources, Collegepond has been there throughout the journey. From aiding in the process of narrowing down target universities to structuring a customized profile relevant to each university, Collegepond, through their Converge App have helped every step of the way. The assistance and guidance provided by the counsellors has made this entire application process very straightforward and has helped reduce the load in this stressful time.

 FORDHAM THE LIBERTY UNIVERSITY OF NEW YORK
 Masters in Finance

I am extremely grateful to have come across Collegepond. What I appreciated the most is that instead of just spoon-feeding you, they enable you to prepare things yourself, while being by your side throughout, providing guidance and support whenever required. Their team is compartmentalized based on area of expertise, so each counsellor is the finest at what they're doing. I highly appreciate the assistance and response time of the SOP and LOR counsellors, and the student coordinator. The process of studying abroad can be overwhelming and daunting, but Collegepond successfully streamlines it and helps you sail through smoothly.

Colledgepond's guidance and advice have been invaluable and significantly impacted my application journey. From helping me identify the right programs and universities to reviewing my application materials and providing constructive feedback, they have gone above & beyond to ensure that my application was the best it could be. Their attention to detail and commitment to excellence have truly impressed me. I am grateful for the resources and opportunities they provided, which have helped me gain admission to the program of my choice and prepared me for success in my future academic endeavours.

Choosing Collegepond as a counsellor was one of the best decisions I took when applying for my Masters. Right from guidance on the best suited country to the right University course, I had support and guidance all the way. They understood my goals and my likings and made the right suggestions for my career progression. The quality of SOP and the turnaround time had been excellent, I couldn't have asked for more. Cheers to Collegepond!

My experience with Collegepond throughout my study abroad preparation journey was exceptional. What I appreciated most was that they provided guidance and support to help me make informed decisions, rather than making the final decisions for me. The entire process of drafting my SOP, LORs, and resume was seamless and productive, thanks to the expert guidance and feedback from the Collegepond team. Overall, I highly recommend Collegepond to anyone considering studying abroad.

The Collegepond Edvantage

UNIVERSITY PARTNERSHIPS

300+ Partners

Applying for overseas education is an expensive affair. Collegepond conducts various on-spot assessment sessions throughout the year wherein the students can personally meet & get their profile evaluated by university officials. Students attending the session also get an application fee waiver to those schools.

& many more!

EDUCATION LOAN

16+ Partners

We understand that the loan amount and repayment of the same is a significant burden on the family. In a bid to minimize the impact on all fronts, we have negotiated attractive wholesale deals with all the leading lenders at interest rates and PF charges that are much lower than the industry average.

FOREIGN EXCHANGE

5 Partners

We have negotiated rates with leading vendors for remittances, travel card, and currency. Our goal is to be transparent; hence, when we do a transaction for a customer, we receive quotes from all our vendors to ensure that you receive the best exchange rate. Once the rate is determined, we work with you and the vendor to ensure that the transaction is conducted in an expedited manner.

ACCOMMODATION

4 Partners

Finding a home away from home in a different country can be stressful for students just embarking on their independent journey abroad. Our partners provide students with accommodation options that are safe, personalized, reliable, and cost-effective.

BANK ACCOUNTS

Our partners have made banking abroad convenient for students and provide mind-blowing offers to help students meet their banking and credit card requirements with unique value-added benefits.

TRAVEL & HEALTH INSURANCE

Student health insurance offered by US universities is very expensive. Collegepond works with its students to identify suitable alternate options that offer similar coverage as that offered by the university at significantly lower prices.
